

The aim of the Fyssen Foundation is to “encourage all forms of scientific inquiry into cognitive mechanisms, including thought and reasoning, which underlie animal and human behavior; their biological and cultural bases, and phylogenetic and ontogenetic development”.

The 2021 Fyssen International Prize will be awarded for research in:

EVOLUTIONS TOWARDS HUMAN COGNITION

The Prize will be awarded for major discoveries that have allowed us to appreciate the complexity of the evolution towards the present human.

This Prize will be awarded to a scientist who has conducted distinguished research in the areas supported by the Foundation: **Ethology, Psychology, Neurobiology, Social Anthropology, Ethnology, Human Palaeontology and Archaeology.**

It is expected that the applicant would have influenced significantly cognitive sciences at the international level.

The award for the International Prize is **100 000 €**.

The application must be submitted by a recognized scientist and include:

- A recommendation letter,
- A curriculum vitae and a list of publications,
- A summary (four pages maximum) of the scientific achievements that justify the award.

The complete application should be sent by post in 1 hard copy to:

Secrétariat de la Fondation Fyssen, 194 rue de Rivoli - 75001 PARIS (France)

OR **by email** to infos@fondationfyssen.fr

DEADLINE : NOVEMBER 5th, 2021

The list of all recipients since 1980 is available on our website: www.fondationfyssen.fr
